2024-25 Middle School Supply List

From all of us in the Middle School, we hope you and your child/ren are having a wonderful summer vacation! On this first page, you will find a general supply list – the supplies that all students will need to bring with them on the first day of classes. On the pages that follow, you will find grade-level and course-specific lists of the supplies that students will need.

We have a convenient way to get your school supplies! The Family Association will again offer easy-to-order school supplies through Yubbler, an online ordering site. Your child/ren's supplies will be packaged by grade and shipped the next day. Optional items such as backpacks, calculators, and Chromebooks will also be available. To place your school supply order and support the Family Association, please visit [Yubbler](#).

GENERAL SUPPLIES (NEEDED FOR ALL CLASSES)

1. Device and charger (see further details below)
2. Highlighters (1 pack)
3. Writing utensils (pens and pencils)
4. Headphones/earphones

TECHNOLOGY FOR STUDENTS

Middle School students need a computer device that has an external keyboard, a working camera, and access to Google Chrome. Families are encouraged to purchase these for their child's personal use. [Here is a link to one online retailer that sells several different comparable models](#). Students may also use any other type of device as long as the above criteria are met (external keyboard, camera, Google Chrome). This means, for instance, that a student can use an iPad, but they must have a keyboard attachment. Because students will, at times, forget or be unable to bring their device with them to School, we do have a limited supply of Chromebooks that students can check out on a short-term basis.

TABLE OF CONTENTS

5th Grade	2
6th Grade	3
7th Grade	4
8th Grade	5

5th Grade

Supply	Quantity
2-pocket folder	5
